New Hampshire	Bill Lambert	No	n/a		
Vermont	Bruce Nyquist	No	n/a	VTRANS only allows Econolite and Naztec. Controller would have to meet current Special Provision to be approved.	
Michigan	Paula Corlett	No	n/a		
Maine	Steve Landry	No	n/a		
New York	Dave Woodin	No	n/a	NYS DOT uses 2070 controllers.	
Maryland	Cedric Ward	No	n/a		
New Jersey	David Martin	No	n/a	Cannot reject if it meets basic specification and model is not a prototype.	
Wisconsin	William McNary	No	n/a		
Virginia	Ray Khoury	No	n/a		
Indiana	Dave Boruff	Yes	Not Approved.	Operates per NEMA, but there is no on-board help and the help manual is out-of-date.	City of hobbs has 39 in the field. Contact Les Velasquez 575-370-3950 for more info
New Mexico	Afshin Jian	No	n/a		
Iowa	Tim Crouch	No	n/a	Iowa DOT does not have a QPL; specifications require controllers to meet NEMA. Would not place it on APL without sufficient experimentation by independent 3rd party	
Mississippi	James Sullivan	No	n/a		If did would be directed to work with local agencies as NDOT does not maintain or operate signals
Nevada	Thomas Moore	No	n/a		
Florida	Alan El-Urfali	No	n/a		
Alabama	Kerry NeSmith	Yes	Not Approved.	Never received manual or operation documents. Non-existent customer service
